EMERGENCY PREPAREDNESS 101 – ALL ABOUT PODS

A point of dispensing (POD) site is a mass dispensing site that provides medications or vaccinations to protect the general population quickly during a public health emergency. PODs are not for care you would receive for normal sicknesses.

Medication and vaccine given at the PODS will be free of charge.

There are designated community PODs throughout Lake County. Community PODs are located in:

- Kirtland;
- Madison;
- Mentor;
- Painesville Township;
- Wickliffe; and
- Willoughby

For more information about emergency preparedness activities in Lake County, visit the Lake County General Health District website at www.lcghd.org.

NEXT TIME: What personal information do I need to know during a public health emergency?
